REVENUE DEPARTMENT

The Secretary to the Government of Mysore,
Revenue Department, Bangalore.

Sir,

Sub:- Grant of land out of S.No.108/4 of Kuklur village, Virajpet Taluk in favour of Cauvery Shri-Ashrama.

In forwarding herewith a copy of letter No.C5-9786/57-8 dated the 20th 21st November 1958 together with the connected records received from the Deputy Commissioner, Coorg District, I write to state that for the reasons explained in his letter under reference, the Deputy Commissioner has recommended for the disafforestation of an extent of 1-26 acres of land and for the allocation of the same in favour of the above Ashrama. He has stated that the land need not be granted outright, that permission may be granted to occupy the land and that a note will be made in the Jamabandi Register about the permission granted. The grant will be subject to the condition that the authorities of the Ashrama should surrender the land along with the buildings without claiming any compensation if they fail to fulfill the purpose for which the land is assigned. It is further stated that the timber on the land may be allowed to be used for construction purposes.

2. The Chief Conservator of Forests who was consulted in the matter has stated in his letter No.B9-321-8079/58 dated 27-5-1959(copy enclosed) that he has no objection to the disposal of the lands.

3. In the circumstances, I agree with the Deputy Commissioner, and request that sanction of Government may kindly be obtained to his recommendation.

4. The action taken by the Deputy Commissioner in having permitted the authorities of the Ashram to start the work on the land in anticipation of sanction may also kindly be approved.

Yours faithfully,

(K.M.Somashekar)

Sub: Assignment of land -Shrimathi Nellamakkada Accava, Cauvery Ashrama, Virajpet -

...

Sir,

Shrimathi Nellamakkada Accava a long standing inmate of Cauvery Ashrama, Virajpet requests, on behalf of the Women Ashramites for the grant of Devarcadu Sy.No.102/4 of 1.36 acres in Kukkur Village in favour of the Ashrama to establish a separate Branch for the Women inmates of the Ashrama.

2. At present both men and women devotees of the Ashrama are residing in the same Ashrama which they find it difficult to continue without hindrance to their spiritual and other normal activities. It has, therefore, been proposed to bifurcate the Ashrama into two for Men and Women separately. The establishment of a separate section for the lady inmates of the Ashrama is a long felt need and the proposal deserves favourable consideration.

3. The land applied for is a Devarcadu attached to God "Vishnu" in Virajpet Town. There is a collapsed temple in the land and no worship is being carried on in this temple for decades now. The applicant is prepared to renovate the temple and revive worship. The area is within the Municipal limits of Virajpet Town. The Municipal President has no objection to the grant of the land to the Ashrama. Forest Department have been consulted in the matter and they have also no objection to the assignment of the land. There are only jungle wood species of trees on the land which have been valued at Rs.400.01. The applicant requests to allow the timber on the land for bonafide use of the Ashrama.

4. Grant of Devarcadus are generally prohibited. But in this case some relaxation may be shown as a special case in view of the urgent necessity of the land for the Ashrama. The Institution which is unique of the kind in this District requires encouragement in all respects for the promotion of spiritual activities. This place is said to be very very suitable for the location of such an Ashrama. Public contributions are being collected to put up the required buildings for the proposed "Stri Ashrama". As this is proposed for grant to the women of the place the Devarcadu has to be disafforested as provided under Section 27 of the Indian Forest Act 1927. As this area is within the limits of Virajpet town and is going to be given to the Ashrama it is not necessary to retain it as DEVARCADU any more. Moreover, it will be wholly out of place to retain a little enclave as Devarcadu in the midst of a growing town.

.. 2/-

5. In the circumstances, I recommend that Kovarcadu Sy.No.108/4 of 1.26 acres may kindly be dis-afforested and the land allocated in favour of the Cauvery Stri Ashrama. The land need not be granted outright but permission may be granted ~~a~~ to occupy the land. Necessary note will be made in the Jamabandy register about the permission granted. The timber on the land may be allowed to be used by them for construction purposes. They are prepared to surrender the land along with the buildings on the land without claiming any compensation in case they fail to fulfil the purpose for which land is assigned.

6. As they are eager to put up buildings this year alone and as the season for construction of buildings will be over by the end of May 1959 I am permitting them to start work on the land, in anticipation of Government approval.

7. The connected records are enclosed.

Yours faithfully,

DEPUTY COMMISSIONER, COORG.
